

# Admission Form

**Admission is ongoing into 2021/2022 academic session. Admission is offered upon success at the entrance examination and the availability of space in the candidate's desired year of entry. You are just three simple steps away from enrollment:**

## **STEP 1**

Kindly complete the application form which is then returned with two recent passport photographs, copies of birth certificates, immunization records, school reports, and the requisite application fee of N3,000.

If you prefer, you can fill the forms by clicking the link below.

<https://pearlroseschool.com/application>

## **STEP 2**

All applications are then carefully reviewed by our Management Team. If appropriate an offer of a place will be made based on the information provided alone or we will offer you an opportunity to visit the School to discuss your application further. All new families are, of course, invited to visit us prior to starting school. Experience has shown that the correct placement of children ensures a smoother and happier adaptation and integration, as a result children joining the school from Year 3 onward are asked to complete a short assessment to assist us in placing them in the most suitable class

## **STEP 3**

Upon acceptance of an application, a contract offering a place will be sent; to be completed and returned to the Admissions Office.

For all admission enquiries, please contact:
